

This is surprisingly fitting for a bomb to be perfectly honest.

1. There must be an arrow in the below diagram going from each sin to the next.
2. Each sin must be adjacent to a sin already pressed.

The diagram illustrates the complex interrelationships between the seven deadly sins, represented as nodes in a directed graph. The nodes are arranged in a circular pattern, and arrows indicate the direction of influence or flow between them.

The nodes and their connections are as follows:

- Lust (Yellow)** has arrows pointing to **Gluttony**, **Greed**, **Sloth**, **Wrath**, **Envy**, and **Pride**.
- Gluttony (Purple)** has arrows pointing to **Lust**, **Greed**, **Sloth**, **Wrath**, **Envy**, and **Pride**.
- Greed (Red)** has arrows pointing to **Lust**, **Gluttony**, **Sloth**, **Wrath**, **Envy**, and **Pride**.
- Sloth (Pink)** has arrows pointing to **Lust**, **Gluttony**, **Greed**, **Wrath**, **Envy**, and **Pride**.
- Wrath (Teal)** has arrows pointing to **Lust**, **Gluttony**, **Greed**, **Sloth**, **Envy**, and **Pride**.
- Envy (Dark Green)** has arrows pointing to **Lust**, **Gluttony**, **Greed**, **Sloth**, **Wrath**, and **Pride**.
- Pride (Brown)** has arrows pointing to **Lust**, **Gluttony**, **Greed**, **Sloth**, **Wrath**, and **Envy**.

Every node is connected to every other node, forming a complete directed graph where each sin influences every other sin.
