

## On the Subject of The Jukebox

*P-A-R-T-Why? Because if you don't, we're going to explode.*

The module consists of a jukebox with three lyrics and three vinyl buttons.

Use the given lyrics to work out which song has been selected.

Enter the song lyrics in the order they appear in the song.

Certain words may appear in multiple songs, but all three will only appear in any one song.

If a word appears more than once in a song, use the first instance of its usage.
