

On the Subject of Naming Modules Against Humanity

Calling people's name is inappropriate, calling modules' names, however, is perfectly fine.

Bold texts are remembering points for quickly identifying modules. I also pre-calculated POOP spelling for your convenience.

Module Name	Text in MAH	POOP?
HTTP Response	404. The bomb not found.	
Combination Lock	Are you sure this is the combination you need?	
Backgrounds	Are you sure you want that background for your photo?
