

On the Subject of Naming Modules Against Humanity

Calling people's name is inappropriate, calling modules' names, however, is perfectly fine.

Bold texts are remembering points for quickly identifying modules. I also pre-calculated POOP spelling for your convenience.

Module Name	Text in MAH	POOP?
3D Maze	Want to see this in 3D ? There are special glasses for it.	
Adjacent Letters	Bomb exploded. I was adjacent to it.	
Adventure Game	That's okay. There will be another adventure waiting for you soon.	
Alphabet	Never try tongue twisters before you learn alphabet .	
Anagrams	The instructions were clear and not in anagrams ; you're an idiot.	
Astrology	No success? I guess your zodiac was under the wrong planet's influence.	
Battleship	This bomb is a true battle , just not on a ship .	
Bitmaps	Lost in this bomb? Here's a bit of a map .	
Blind Alley	You're done. No way out from this blind alley .	
Broken Buttons	Pressing these buttons is useless. They're broken .	
Caesar Cipher	You dealt with it like a true Caesar .	
Chess	I would play even Billy the Puppet if that game was chess .	
Colored Squares	It's cool to be square but only if your colored .	
Colour Flash	That almost got you dead. Your whole life flashed before your eyes.	
Combination Lock	Are you sure this is the combination you need?	
Complicated Buttons	Pressing buttons should be easy, not complicated .	✓
Complicated Wires	Cut all the wires ! It's not that complicated after all.	
Connection Check	Bomb exploded due to bad wifi connection .	
Coordinates	You're walking funny. Have you lost your coordinates ?	

Module Name	Text in MAH	POOP?
Crazy Talk	You're talking crazy . Get out.	
Cryptography	Your mind is so cryptic , I can't read it.	
Double-Oh	You may have double As, you may have double Ds, but double Os are the best.	
Emoji Math	Did you know your texts can include words, and not just emojis ?	
English Test	Do you know the difference between your crap and you're crap ?	✓
Filibuster	Remember the title and just keep talking	
Follow The Leader	If this bomb explodes, you're following the wrong political leader .	✓
Foreign Exchange Rates	No currency exchange point? You should've taken your card.	
Forget Me Not	Well done. You forgot it not .	
Friendship	They say Monopoly ruins friendships . They have not tried KTANE.	✓
Hexamaze	Someone must have put a-maze-ing hex on you.	
HTTP Response	404 . The bomb not found.	
Keypad	If you recognize any of these symbols , you're a smart fella.	
Laundry	Friends are coming over. Quick, hide all your dirty laundry !	
Letter Keys	Wait, now keys have letters on them? What is this sorcery?	
Light Cycle	Dark in the room? Just cycle through the lights .	
Lights Out	Lights are out . Bomb's unavailable for 10 seconds.	
Listening	Just got a strike. You need to listen to your experts better.	
Logic	Do you have at least a pinch of logic in that head of yours?	
Maze	I know you feel lost. Sadly, this is not a maze so there's no way out.	
Memory	Nope, that doesn't work. Try memorizing the manual next time.	
Microcontroller	Trust your experts, don't micro control them.	
Modules Against Humanity	Yes, this bomb is very inhumane . Deal with it.	

Module Name	Text in MAH	POOP?
Monsplode, Fight!	Why fight your family when you can fight Monsplodes ?	
Morse Code	If you're bad with words, try Morse code instead.	
Morsemetics	If you're bad with words, try Morsemetics code instead.	
Motion Sense	Moves like Jagger? Not with that motion sense of yours.	
Mouse In The Maze	Tsk. Poor little mouse , can't do anything right.	
Murder	If this doesn't get you murdered , I don't know what will.	
Mystic Square	You need serious help. From a shaman or a mystic , nothing less.	
Needy Capacitor	You're on the dishonorable discharge , Take your capacitor and leave.	
Needy Knob	You can play with this knob even when you're done with the bomb.	
Needy Math	Math is hard.	
Needy Quiz	I know you hate answering questions, but we do have to test you.	
Needy Rotary Phone	Here, phone a friend for help. Old school style.	✓
Needy Vent Gas	Stop venting your emotions. Vent gas instead.	
Number Pad	Keypad here, keypad there. I want a keypad with numbers !	
Orientation Cube	Bad luck with your crush? Maybe it's just their sexual orientation .	
Password	You need to know the secret password to defuse this bomb.	
Perspective Pegs	If you can't do it, try to look from a different perspective .	✓
Piano Keys	Musical instruments? I recommend piano , cruel one or not.	
Plumbing	If you don't find a way out, try crawling through pipes .	✓
Probing	Bad news. You're actually being probed by aliens.	
Resistors	Don't resist the temptation. Just do it.	
Rock-Paper-Scissors-L.-Sp.	You're fighting a lizard . But don't use caber, use scissors .	

Module Name	Text in MAH	POOP?
Round Keypad	You spin my head right round with those fancy symbols .	
Safety Safe	This bomb is so valuable it should be locked in a safe .	
Sea Shells	Who cares what she sells ? She's not gonna sell it to you.	
Semaphore	Just as I expected, you're waving a white flag already.	
Shape Shift	Why be a human when you can shapeshift into an owl?	
Silly Slots	You failed. What a silly slot you are.	
Simon Says	Too late. simon says you should try again.	
Simon Screams	Simon screams at your incompetence.	
Simon States	Too late. Simon states you should try again.	
Skewed Slots	Well, that's what happens when your world view is so skewed .	✓
Souvenir	This explosion will leave a few souvenirs on your body.	
Square Button	Push the square button . Galvanize.	
Switches	It's useless. Switch to another bomb.	
Symbolic Password	Your password must be 6 symbols long.	
Tetris	If you're tired of bombs, you could always play Tetris instead.	
Text Field	Who needs fields of gold when you have a field of text ?	
The Bulb	You think you have a great idea? Nah, that's just a bulb above your head.	
The Button	Push the button . Galvanize.	
The Gamepad	Two kinds of people: those who use gamepad and the boring ones.	✓
Third Base	Don't tell me you're already in third base with this bomb?	
Tic Tac Toe	Lots of love, XOXO , The Bomb.	
Turn The Key	Just turn the key and leave the room.	
Turn The Keys	Just turn the keys and leave the room.	
Two Bits	Here's my two bits of information: you're gonna explode.	

Module Name	Text in MAH	POOP?
Who's On First	You're clearly the last, but who's first?	
Who's That Monsplode?	Fighting Monsplodes ? Identify them first.	
Wire Placement	Be careful where you place those wires!	
Wire Sequence	Trickier than it sounds; all the wires are hidden behind panels.	
Wires	Cut all the wires!	
Word Scramble	You got scrambled by your own sword.	
Word Search	You're searching for a word ? It's the bird.
